## Some Facts about Fountain Valley Scholars

- \* We award scholarship money to high-achieving and eligible seniors from Mesa Ridge, Widefield and Fountain-Fort Carson high schools to help them attend the college or university of their choice.
  
- \* Our application process is extensive and rewarding for both the scholarship committee and the students. Students must complete an involved application which includes all of their activities and an essay portion. The list is whittled down and the committee conducts interviews with each finalist.
  
- \* We host an awards program each spring featuring some musical selections from the scholarship winners.
  
- \* Over the past 23 years, we have awarded more than \$320,000 to 500 college-bound students. We hope to greatly increase both numbers in the coming years.
  
- \* The Board of Trustees, listed in the left margin, is made up of people from both the Fountain and Security/Widefield communities.
  
- \* We raise funds throughout the year with several events including our FVS Golf Tournament and Widefield School District 3 Community Cookout. We also receive donations from a variety of sources, including Thunder in the Valley, School District 3 Credit Union, and various businesses in our community.
  
- \* All money raised goes toward scholarships.
  
- \* The Board of Trustees meets once a month, usually on a Thursday morning.
